TESTIMONY OF DR. BUTCHER.
GREEN PANE, Perry Co., Pa.
April 10th, 1855.
GENTLEMEN:—Some few months since a patient applied to me for medical advice, afflicted with a severe form of secondary syphilis (the disease under the charge of two physicians without derriving relief.) I commenced using the regular remedies of the profession, but the disease stubbornly resisted all my efforts. The reputation of Carter's Spanish Mixture having reached me, and being personally acquainted with your lens, I determined to give it a trial. I did so, and in a short time its good effects were evident, and three bottles cured him.
As an act of justice to suffering humanity, I cannot withold my testimony to its virtue as an alterative and prompt purifyer of the blood, and take pleasure in recommending it to the profession and the public generally. Yours Respectfully,

A RARE CHANCE!
IN THE FOUNDRY AND MACHINE BUSINESS
THE SUBSCRIBER, who is getting up in years, and is unable to give that attention to business which he could wish, is desirous of relinquishing business, and will sell his share in the oldest established concern in this State. CHARLES PREUSSER,
TAKES PLEASURE IN ANNOUNCING to his friends and customers, and the Public generally, that he has removed to his new and elegant store, built by him expressly for his rapidly increasing business, at the corner of East Water and Mason streets, opposite the Walker House and Post Office, where he is receiving almost daily additions to his large stock of
Clocks, Watches, Jewelry, Silver and Plated Ware, Fancy Goods,
In fact, of everything usually to be found in a well assorted business of this kind.
As his stock is all new, of the latest and most fashionable styles, purchased direct from manufacturers and importers, and will be sold at a very small advance, he flatters himself that both Prices and Goods will give general satisfaction.
The repairing of Watches and Jewelry will as heretofore, under my personal superintendence, and I have engaged help enough to do all work with dispatch.—Thankful for the kind patronage so liberally bestowed upon me during the past eleven years by the Milwaukee Public, my friends and customers may be assured that no effort of mine will be wanting, to merit a continuance of the same. (nov21dy) CHAS. PREUSSER.

THE OLD EAGLE GOING IT WITH A RUSH
The Eagle
STEAM FOUNDRY
OF
TURTON & SERCOMB,
296, 298, 300, 302 and 304, West Water Street
IS still in full blast, working day and night to supply the daily increasing wants of the Badger and other States.
In order the better to do this the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing Machine or Shaping Machine, three Lathes, and a machine for making bolts, and are now putting in a Steam Engine—horse power to drive the whole, thereby adding to their former facilities for the successful carrying on of the Foundry, Machine, Engine, and Blacksmithing business. They never were in a better position for doing business, and defy competition in any department.
In regard to the character of the work got up by the Old Eagle Establishment in the State, the Proprietors refer to the 9 years' uninterrupted operation thro' the country as their best recommendation, and can speak for itself. All they can say is, that they are both PRACTICAL MECHANICS, and know how work should be done as well as the best men. They continue to manufacture Flour and Saw Mill Gearing and Steam Engines, on the most approved principle.
They have always on hand a large stock of BRASS WORK, such as Gate and Cylinder Cocks, Oil Cups & Cocks, and Steam Whistles. Also Turton's Files, which they will sell at the lower cash prices.
They are also Agents for Eastman's Patent Steam Gauges, which we need with the attention of all who use Steam Engines.
In conclusion, they in behalf of the patronage of their old friends, and solicit a share from all those in want of Saw or Flouring Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.
Their motto is, "Fair Dealing."

P. S. To those friends who have forgotten they owe us, we would say, hand over the dimes, we want cash to pay the printer.

FREEDOM AND FREMONT!

Mass Convention.

The friends of Free Speech, Free Press and freedom in Kansas, will meet in "Grand Council," at Baraboo, on Saturday, the 16th of day August next, at 12 M. Good speakers from abroad will be present to address the multitude. Remember that "Ruffians" are scarce in Baraboo. Our "lash strings will be out." "The fatted calf shall be killed." The *Sons* of Freedom will return.

A delegate convention from Sauk and Adams counties, will meet at 11 o'clock A. M., of the same day, for the purpose of selecting two delegates to attend the Congressional Convention at Mineral Point, on the 27th day of August next.

By order of the Rep. Central Com'tee.

July 26, 1856.

We shall be happy to meet the Republicans of these counties at Baraboo, on the 16th.—*Ed Free Democrat.*

☞ The Fond du Lac *Union* follows the lead of the *News*, in believing that Freedom is too great an evil to be let out upon the people. It doubts the wisdom of having all the people own themselves, thinks the plan has worked badly in the West Indies, demands proof of the good results of letting every man be his own proprietor, and asks if we would really be in favor of changing the system by which one man can own another, and treat him as a chattel. Beautiful Democrats those, who believe in human chattelship, and want proof that Freedom is safer and better than Slavery. The people are getting their eyes open to see the hypocrisy of the Slave Democrats. Whenever a man asks if it will do to emancipate men, you may know, whatever his professions, that he thinks the Declaration of Independence is a lie, and the people made to be used by demagogues and despots.

☞ "A fellow feeling makes us wondrous kind."

L. W. Kennedy, K. N., advertises in that Know Nothing sheet, the *News*, for a Fillmore and Donelson Club. Kennedy knows where to go for aid and comfort. Fillmore and Buchanan are a joint stock concern, and we advise Kennedy and his friends to go for Buchanan.—We can whip them united or single, just as they please. We don't want such men as little Kennedy in the Republican party. They belong to the *News* and Buchanan, party and we are glad to see them going *home*.

HALE ON BURLINGAME.—Senator Hale has written a letter, putting the action of Mr. Burlingame, in accepting the challenge to fight with Bully Brooks, in the best light possible. We have read it carefully. While it clearly shows that Burlingame had great provocation, was not afraid to fight, and that Brooks was, it does not explain two facts. Brooks was an assassin, whom all honorable men should scorn. Every gentleman degrades himself who puts himself on a level with such a villian.

Dueling, not less than Slavery, is a *crime*, and Mr. Burlingame had no right to murder Brooks, or expose himself to be murdered by him. If the whole scene was not a crazen farce, each wished to kill the other. To face death is often quite as much a mark of cowardice as of courage. It requires more true courage to *refuse*, than to *accept* a challenge in Washington. Mr. Hale has shown his *good will* to Mr. Burlingame, by his letter, but beyond this we do not perceive that he has done him any signal service.

Bully Brooks.

This notorious villain has not yet lost his desire to fight. His friend, Lane, invites Campbell to name a place of meeting within 100 miles of Washington, where Burlingame will meet Brooks.

Campbell replies that his authority, as Mr. Burlingame's friend, ceased on the 26th ult. Lane replies that Brooks will await Burlingame's return to the city till Tuesday, and then make an *exposé*.

Campbell answers that neither Burlingame nor himself fear, in the least, the threatened *exposé*.

WHAT DEMOCRACY HAS IN STORE FOR THE NORTH.—The time is close at hand when such statesmen as Sumner and Hale will have justice, full justice done them; when, in short, an abolitionist will be lynched as readily in New York and Boston, as in Charleston and New Orleans.—*N. Y. Day Book. (Dem.)*

The *News*, *Argus* and other Hunker papers quote approvingly from the *Day Book*, and recommend it for circulation as a Democratic paper.

LA CROSSE & MILWAUKEE R. R. STOCK.—In Wall street, N. Y., on the 4th inst., 72½ was offered for La Crosse & Milwaukee R. R. Stock. On the same day La Crosse & Milwaukee R. R. bonds, running at 8 per cent, sold at 87, to go abroad.

FREMONT CLUB.—A Fremont and Free Kansas Club was organized at Waupaca, on Friday evening with the following officers:—President—Wilson Holt; Vice President—O. E. Dreutzer; Secretary—C. E. Redfield;—Treasurer—E. L. Browne; $40 was contributed to aid the Free State men in Kansas, and $22 per month was pledged for Kansas during the war.

SUICIDE.—The wife of Frederick A. Davis, living in the town of Linn, Walworth county, committed suicide on the 25th ult., by taking arsenic, while laboring under a temporary derangement. She leaves a husband and four children to mourn her sad fate.

THE VOICE OF THE PEOPLE IS THE VOICE OF GOD.—For Constitutional Right, James Buchanan of Pennsylvania, and John C Breckenridge, of Kentucky. For Abstract Right, John C. Fremont and Wm. L. Dayton.

Seth Paine's Banker.

As Mr. Paine goes for Buchanan, if the people should decide in favor of Fremont, he will be proved to have been fighting against God.

REPUBLICAN MEETINGS,

We offer to our Republican friends a few suggestions as to getting up and conducting their campaign meetings. Unless some method and forecast be observed, one half the meetings may be failures.

First, then Do not engage too many speakers. Two good, reliable ones, fixed and secured for the occasion, with a contingent reserve of local aid are quite enough for any one meeting.

The calls are very great, and no supernumeraries should be engaged.

Second: Secure your speakers *first*, and let *them* fix the time; otherwise you will involve them in confusion and yourselves in disappointment.

Third: If your speakers are from abroad, see that provision is made for compensation, at least *expenses*. Remember, it is a *sacrifice* to leave family, home, business, and travel night and day, pay fare and hotel bills. Thou shalt not muzzle the ox "that treadeth out the corn."—Remember, there are *many* of you, and you, *sacrifice* for *one* meeting. Your speakers are in the *daily* sacrifice of time, business, lungs and constitution.

Fourth: If your gatherings are too large for indoors, then select a grove or woods. *Always erect a speakers' stand*, and see that it is covered with boards (not canvass). It saves the speakers voices, and helps the audience to hear. Let your covering of boards project three or 4 feet beyond the platform on which the speaker stands; then you will be sure to protect his voice. This arrangement may be seem of small moment to you, but it is of immense moment to the speaker.

Fifth: If possible, in every gathering, arrange for some good, soul-stirring Glee Songs. Let your Glee Clubs be made of male and female singers. Take care that the songs sung are not buffoonery and trash. Let them be such as have *soul* in them.

Sixth: Never fail of inviting your wives, daughter and sisters. Their presence and refining influence are everywhere being felt in our meetings. The wrongs of Kansas stir Woman's heart to its center.

Seventh: Don't waste to much money on banners, powder and processions, but rather save it for document and papers.

Eighth: Don't fritter away half your day or evenings in preliminaries, as to who shall be chairman, committee, &c. Remember nine o'clock comes very soon after dark. Get right to work, else your audience will tire before you begin.

These hints—especially that relating to engaging speakers, and preparing the speakers' stand—will be of incalculable advantage. We ask our brethren of the press to insert, if they agree with us in these suggestions, or, in the other, case offer better.—*N. Y. Tribune.*

Fremont and Foote—Another Lie Nailed.

The Hunker presses of this State have circulated the story that Col Fremont assaulted Senator Foote in the Senate and then challenged him, and they have rung the changes on the charge of his being a duellist and classed him with Bully Brooks. The Cleveland *Plaindealer* first set the ile afloat, and the Border Ruffian presses generally have copied it. The N York *Evening Post* thus effectually disposes of this falsehood:

The facts are briefly as follows:—Senator Foote entered the Senate the last night of the session, with an uncommonly large brick in his hat, and availed himself of the first opportunity, as is the habit of people with hats thus furnished, to make a speech. In the course of his remarks he reflected offensively upon certain California measures which had been pending before the Senate, and upon the motives of those who advocated them. Col. Fremont immediately left the Senate Chamber and sent for Senator Foote to come out. When they met, Col. Fremont told him that he had sent for him to say that he (Foote) had just used language in reference to the California legislation and Senators, which no gentleman could use, and unworthy of an American Senator. Foote immediately struck at Fremont and slightly grazed his face. Senators and officers who were near, doubtless anticipating something of the kind, promptly interfered and prevented any further controversy at that time.

On the following day Fremont sent Foote a note by Governor Price, of New Jersey, demanding a retraction of his offensive language, and Foote wrote a retraction which was deemed satisfactory by the friends of the respective parties.

ANOTHER FALSEHOOD EXPLODED.

The Waukesha *Democrat*, of the 6th inst., says:

Fremont's attack on Senator Foote, of Mississippi, for language used in debate, is the first instance of assault ever committed in the Senate.

The *News* and all the Buchanan presses of the State have circulated the story.

The New York *Herald*, a pro-slavery sheet, published the following account of the matter the day after it occurred:

Special Telegraphic Dispatch to the N. Y. Herald.

The Foote and Fremont Difficulty.

WASHINGTON, Sept. 28, 1850.

When a fight occurs between two such prominent individuals as Senators Foote and Fremont, the public will naturally be curious to know how the fight came to occur. The facts in the case, as reported by a gentleman who happened to be present, are as follows:

Mr Foote, in debate, some time yesterday, in allusion to the proposed legislation, asked for information relative to certain land grants in California, and declared that such legislation would be disreputable.

For this expression of opinion, Mr. Fremont, in the anteschamber of the Senate, last night, called upon Mr Foote for an explanation. Mr. Foote promptly replied that he would give an explanation. He assured Mr Fremont that he meant nothing personal in the remarks he had made in the Senate.

This was not satisfactory to Mr. Fremont, who pronounced Mr. Foote to be no gentleman. As quick as thought ☞ Mr. FOOTE struck Mr *Fremont a blow*. The two Senators clutched, or *clutched at each other*. At this moment Senators Clarke and Mangum interfered and separated the combatants, who uttered some terms of defiance at each other.

There was no motive for misrepresentation at the time the above was published. Instead of Freemont's attacking Foote, Foote attacked Fremont.

Now see if one of the presses in the State which have repeated this falsehood, will correct it.

CANED AND FINED.—Judge Armstrong of the Janesville *Standard*, was yesterday fined ten dollars, for caning a Scotchman by the name of Hamilton, who had called him a liar.

☞ In Amesbury, Mass., out of 483 voters 450 are for Fremont.

☞ The Boston *Journal* has denied that Edward Everett supports Fillmore.

☞ Tom Thumb's lost jewels were found under the stage after the performance.

☞ The Plymouth (Ia) *Banner* has hauled off from Buchanan and hoisted Fremont and Dayton at the head of its columns.

☞ Mr. H. Sibley, of Rochester, N Y. has been chosen President of the Union Telegraph Company.

☞ Passengers can now go through from Dunleith to New York in forty-two hours, by rail.

☞ We learn from the last St. Louis papers that the late rains have caused a rise of eleven inches in the Mississippi at that point.

☞ The *Raftsman's Journal*, Clearfield, Pa., and the *Coal City Item*, Newcastle, Pa., have come out for Fremont.

☞ The Americans have nominated James Buffington, of Massachusetts, for reëlection to Congress.

☞ An intelligent writer at Meredith Bridge N. H., states that no Fillmore ticket will be started in that state, and that the Buchanan men will let the election go by default.

☞ The Lebanon *Courier* and York *Advocate*, both old Whig papers of Pennsylvania, which have waited to see the course of events, have just come out for Fremont and Dayton.

☞ The Mauch Chunk (Pa) *Gazette*, the *Daily* (Pa) *Times*, the Norristown (Pa) *Herald* and *Free Press* have hauled down the Fillmore and run up the Fremont flag.

☞ A correspondent at Prattsburg, N Y., says that save the Postmaster and a Mormon, who doesn't like the Republican opposition to Polygamy, there is hardly a Buchanan man here.

☞ The Daily *American* of this city, says "We are without any news as to how the battle went in Indiana, on Monday." It will not probably hear till after October 14th, the day of the State election in Indiana.

☞ The Waukesha *Democrat*, we are sorry to learn, has no Republican exchanges, for it says it has seen no Republican paper that says aught against the judge and jury by whom Herbert was acquitted.

☞ The Fortification Bill appropriates $1,637,000, of which only $190,000 are to be expended north of Mason & Dixon's line. No sectionalism in this, eh? The North raises the money and the South spends it.

☞ The Oswego Daily *Times* publishes a letter from W. B. Moulton, of Port Byron, an old democrat of forty years' standing, but who, having read so much of the Kansas troubles during the past winter, thinks that the people might as well continue the present administration as to elect Buchanan. He will vote for Fremont.

☞ Mr J. C Underwood, who was lately driven out of Virginia by the Slave Oligarchy for the crime of attending the Philadelphia Convention, has stated in a speech, that Virginia exports from twenty thousand to twenty five thousand slaves to the remote South per annum, for which she gets from $20,000,000 to $25,000,000.

☞ A gentleman publishes a card in a Philadelphia paper, declaring that "five hundred responsible citizens of that city will undertake, at their own cost, to escort, in entire safety, Mr Brooks to Canada, and, in the event of his surviving a hostile encounter with Mr. Burlingame, will return him in safety to Washington."

☞ The Juniata (Pa.) *Sentinel*, a journal flying at its masthead the name of Fillmore for President, says, "The signs of the times are not to be mistaken; they point emphatically to the election of Col. J. C. Fremont as our next President. In the natural order of things, the democrats must now retire before the avalanche of public sentiment which is sweeping the country from Main to Missouri."

☞ It will puzzle any one to think of a poor wretch who has gone down lower in the public estimation, than that red handed butcher Franklin Pierce. The blow of the Cincinnati Convention, has been followed by another. His vetoes on the river bills, have been vetoed by a two-thirds vote in both Houses. Even old Cass has emerged from the "noise and confusion," and kicks the Presidential carcass.

☞ The Cortland (N. Y) *American* states, that the Circuit Court of that District on Monday last, the case of John Vaughan against the New York Central Railroad Company, for damages for injuries received by him near the Oneida depot, in September, 1853, resulted in a verdict of $10,000 for the plaintiff. The Judge, charged that $3,000 advanced by the company to pay the expenses of two years' sickness of the plaintiff should be deducted from the award of the jury.

☞ At a Buchanan ratification meeting in Paterson, N. J., the other day day, Lorenzo B. Shepard, of New York, read an extract from Frederick Douglas commenting severely on the Republican party. A Buchaneer, not knowing the distinction between "Fred" and "Steve," thereupon proposed three cheers for Douglas which were given with a will by "the unterrified!" An age of progress this, when a Democratic meeting cheers Fred. Douglass, the Abolitionist, and a coloured man at that!

☞ Tom Ford, the somewhat famous Lieutenant Governor of Ohio, is said to have made rather a hard hit at one of the Judges of that State, at a dinner to the legal profession some time since. It appears that a toast had been given, in which the fact was alluded to, that on the bench of Ohio the President Judge sat alone, having no Associate Judge beside him. Ford in a speech, alluded to the fact, professing to intend a compliment to the Judiciary—one or more members being present, said that in Pennsylvania the bench had been compared to a "Demarara team—two mules and a jackass;" but in Ohio the mules had been dispensed with and "the jackass left alone," said some wag, as—the story goes, catching Ford in the nice dilemma where he had placed himself.

Iowa Election.

We have the following returns from Iowa, which indicate that the state has gone Republican by a decided majority: Dubuque Co. 80 dem. maj. Following counties give Republican majorities: Henry 870, Muscatine 300, Scott 400, Lee 150, Des Moines 75, Jackson 165, Louis 366, Van Buren 150, Jefferson 300. There is a Republican gain in these counties of some 2500, over the vote of 1854, when the state elected a Republican Governor, by nearly 2,000 majority. Davis, Republican, is doubtless elected to Congress in this district, over Leffler, Democrat, by a handsome majority. The district is now represented by Hall, Border Ruffian.

LATER.—Clinton County gives the Republican ticket 100 majority. The whole Republican ticket in Jefferson County is elected by an average majority of 200. This includes one Senator and two Representatives to the Legislature. Curtis (Rep.) for Congress has 246 majority.

Van Buren county, Republican ticket all elected. Returns from every township in Henry county show that Col. S R. Curtis, has the largest majority ever given to any candidate in that County. It will range from 1000 to 1,500.

In Des Moines county the Republican ticket for the Legislature has a majority of from 30 to 50.

In Davenport township, Mr. Rusch, the German candidate for Senator, stands at the head of the Republican County ticket, while on the Democratic side, Smallfield, the German candidate for Representative, with the exception of Dow, is the lowest candidate on the ticket.

The Chicago *Tribune* thinks the majority for the Republican ticket in the State will reach 7,000.

Further Returns from Missouri.

Pike County gives Polk and the whole democratic ticket elected from three to four hundred and fifty maj. St. Genevieve Co. Polk maj. over Ewing one hundred and fifty. Benton got only 19 votes. Ronroe Co reported 350 for Ewing. Polk Co. 200 for Ewing.—St. Charles Co Benton about 200 maj; one Whig and one Democratic representative elected in this county. Cole Co. Polk beat Ewing 300 and Benton leads Polk about 75. Howard Co reported 200 for Polk Chariton Co. reported 150 for Polk.

Banking Capital in this State.

The whole amount of Bank capital in this State is $1,601,000, of which $27,000 are in specie and $1,574,000 in State Stocks. Of this latter amount $250,000 are stocks of free States and $1,324,000 stocks of slave States, distributed as follows:

CORRESPONDENCE.

SCANDINAVIA, Aug. 4, 1856.

Editor Daily Free Democrat—

SIR: I happened to see in your daily or tri-weekly DEMOCRAT of the 25th ult., announced that Town 25, Range 10, is named Scandinavia. Allow me to correct you in this viz: The town of *Scandinavia* is in town 23, Range 11, and all the Norwegians, to a man, voted for Bashford, being all Republicans.

We are all going for Fremont up here.

Please insert these lines in your paper and, by so doing, you will oblige,

Yours with Respect,

H. B. POUSE.

FREMONT CLUBS in *Dane Co.*—The Republicans of Mazo Manie, have organized a Fremont Club with the following officers.

President—Wm Powell.

Secretary—Albert Vedder.

Treasurer—J. B. Stickney.

In Fitchburgh, a club has been formed with the annexed officers:

President—R. W. Salisbury.

Vice President—Jesse Stephens.

Treasurer—Wm. C. Young.

Secretary—S. W. Field.

DES MOINES CO., IOWA.—The success of the Republicans in this county, heretofore strongly democratic, is a great triumph. In that county, the Republicans looked for less than one hundred German votes, but they got about two hundred and twenty-five, in solid column, much to the consternation of the Hunkers. It was expected that a part of the Fillmoreites would go with the Republicans on the State ticket, but to a man they voted for the Border Ruffian Democracy.

CHARLES SUMNER, LL D.—At the Commencement at Yale College, on Thursday last, the honorary degree of Doctor of Laws was conferred upon Charles Sumner of Boston, and William Hungerford of Hartford. The New Haven Palladium says: "When Charles Sumner's name was read by President Woolsey, as the recipient of an LL. D., from Yale College, at the distribution of degrees, yesterday, the applause of the audience was unbounded, and unmistakably expressed."

☞ The German vote for Fremont, in Iowa, is significant. It shows that the Germans are going for freedom. It fills old Hunkers with consternation. When Pierce was elected, but three or four German papers opposed him.—Now, a majority of the German presses support Fremont. The Germans can no longer be controlled by the Slave Power.

☞ The K. N. *News* wants to get up a Fillmore K. N. ticket in this State. Hope they will. Those who would vote for Fillmore will vote for Buchanan if he is not in the field. Trot out your Fillmore electors, get up your Fillmore clubs, and make little Kennedy President! What's the price of *peanuts*!

MORE SIGNS.—J. N. Harris, (Fremont) was elected Mayor of New London, Ct., August 4th, by a large majority, over A. C. Lippett, (Buchanan.) This was formerly a strong Democratic city.

Satanic.

The Border Ruffian who does the Satanic for the Beaver Dam *Sentinel*, gets off the following on the clergy and Fremont. It needs no comment:

"The fact that Satan has enlisted the ministers of the gospel to shoot paper bullets at us from pagan intellects, over the bulwarks of the pulpit, is still another sign. But the best sign of all, is the fact that the whitewash has been partially rubbed off from the free soil candidate, revealing the man in all his hideous deformity—a monster of corruption, whose gigantic swindles are at this moment astonishing his warmest friends; a slave holder who deals in the flesh and blood of Africans; a duellist, who deals in the flesh and blood of white men; a Border Ruffian, who vindicates his claim to good breeding, and makes good his tarnished prowess by assaulting United States Senators brutally and willfully; a Know Nothing, who would deprive our foreign citizens of the rights God has given them—(although God's ministers would rob them of these rights) and a defaulter, whose name and character even now, is not safe from the fatal blow of the San Francisco Vigilance Committee."

In the same number the editor says:

"In fine, we would not give a cent for a person who is not slandered; he is either a milksop or a fool. No, no—earn a bad name by a bad fellow; it is the only way to prove you are entitled to a good one."

By this rule, Fremont is entitled to a *very good* name, for he is slandered by a *very* "bad fellow."

Who are the Disunionists?

The following extracts are selected from authentic records of opinions expressed by men, all of whom are now prominent supporters of Buchanan or Fillmore:

By Senator Yulee of Florida.—

"For my part, I am ready to proceed to extreme measures, even to the dissolution of the Union."

By Senator Brown, of Mississippi—

"If the Wilmot Proviso is adopted, it will raise a storm that will sweep away this Union, and I pray God it may be so."

By Mr. Morse of Louisiana—

"The Southern man who will stand up and say he is for the Union, 'now and forever' is more dangerous to the people he represents than those who are in open hostility. If California be trammeled with a preamble declaring the territory now free, I am willing to dissolve the Union."

By Mr. Stanton of Tennessee—

"When the Wilmot Proviso is adopted, I and the South are ready to walk out of the Union."

By Mr. Butler of South Carolina—

"I do not make the salvation of of the Union the paramount question."

By Senator Mason, of Virginia—

"It is time the yoke was thrown off and the question settled."

By Mr. Colcock, of Georgia—

"Should the Wilmot Proviso pass in any form I will introduce a bill for the dissolution of the Union."

By Mr Meade, of Virginia—

"If you exclude us I am not willing to submit. * * We intend to have the land, peaceably if we can, *forcibly* if we must."

By Mr. McWillie, of Mississippi—

"The people of the South know their rights, and will maintain them at all hazards, even should disunion result. * * * * * * * The South must defend their rights at the expense of blood."

The following resolution was adopted at a Congressional caucus of the Southern democrats held in Washington January, 1849:

"*Resolved*, That the dissolution of the Union is preferable to the submission of South to the Wilmot Proviso."

The following toasts were drank at a democratic 4th of July celebration at Atchison City, in Kansas:

"*Disunion*—By secession or otherwise—a beacon of hope to an oppressed people and the surest remedy for southern wrongs. [Enthusiastic cheers.]"

"The city of Atchison—May she, before the close of the year '57, be the capital of a Southern Republic. [Cheers.]"

Gerrit Smith and Fremont.

Gerrit Smith stopped in this city yesterday on his way to the late Kansas meeting at Buffalo. While here the following colloquy occured between him and another gentleman:—

"Are you acquainted with Mr. Fremont, Mr. Smith?"

"Very well—he dined with me several times at Washington, and he is a great favorite in my family."

"What kind of a man is he?"

"He is the most modest man I ever knew—he rarely speaks, unless spoken to, a man of talents, generous impulses, and an accomplished scholar."

"Is he firm—has he decision of character—is he reliable, in case he is elected President."

"Perfectly—if Mr Fremont is President, he will carry out his convictions promptly and with unfaltering firmness."

"Is he a slaveholder?"

"No, never. Until lately he has been very poor, and in no condition to be a slaveholder—besides he is anti-slavery."

"Well, what do you think of Jessie?"

"She is beautiful, highly educated, accomplished. Her mother is the daughter of Governor McDowell, of Virginia, (an abolitionist) Mrs. Fremont told me her mother taught her to hate slavery and she did hate it. She said she would never own a slave nor permit one to do her work. She did her own work rather—it is a shrewd choice, the selection of Fremont. It is of great importance that he be elected—the question is not now a constitutional question—but a question of blows, a war question—and if the first battle is to be in Kansas we should cast aside party and fight the battle."

WORK LET ON THE LA CROSSE R. R. AT KILBOURN CITY.—We learn that last week the Directors of the La Crosse and Milwaukee Railroad contracted with J. Anderson and J. B. Vliet, of this place, to grade the road from Lone Rock to the river bank in Kilbourn City. This contract is for a little over two miles of the road; including all within our new town, and nearly all the heavy grading between here and Portage City. Messrs. Anderson and Vliet will commence the work immediately, and push it ahead as fast as it is necessary to have it completed in time for the rest of the road. This contract has fallen into the right hands; Mr. Vliet being a practical Engineer, and interested to have the work properly done, and Col. Anderson being well acquainted with such work and the prince of good fellows.

PHI BETA KAPPA AT YALE.—The correspondent of the New York *Tribune*, gives the following account of the business meeting of this society:

"The society elected Hon. Chas Sumner of Boston, orator, and Prof C. C. Felton of Cambridge, substitute for the year ensuing. W C Bryant of New York was elected poet, and F. M Finch of Ithaca, N Y., substitute. The only other business of importance was a vote to request the Faculty of the College to insert, each year, in the Annual Catalogue, the names of those who have been chosen members of the Society during the proceeding twelve months."

DIED.

ALLEN—In this city, Monday morning, JESSIE MAY, infant daughter of Morris L. and A. J. Allen.

FARMER—In Lake Mills, July 15th, of inflammation of the brain, MRS. CATHERINE L., wife of Alanson Farmer, in her thirty-first year of her age.

[C. mmunicated.]

☞ Her health had been quite infirm for years—especially a few months before her death. She died with a firm trust in the Saviour whom she had so faithfully endeavored to serve during her life. She was an ornament to the church, a useful member in society, and has gone, we trust, to an eternity of blessedness. She leaves a family of sons and daughters with her companion, to mourn their irreparable loss.

"Who is happy? Who is happy?
Who is happy? Who is happy?
Where the pure in heart are dwelling,
Where the ever-blessed are?
Where the ever-blessed are?"

Mrs. Allen was a lady of rare worth, and her death is a great loss to the motherless.

☞ The Grant Co. *Herald* says that the hay crop in that county, is much heavier this year than it was last, though grass is now dying for want of rain, and corn, potatoes, garden roots and vegetables, are suffering from a similar cause.

It also says, Richter and Schmidt have recently discovered one of the largest *leads* of mineral on Mocalunge Branch, three miles west of Beetown, ever yet hit upon in the Wisconsin mines. The mass of ore is five feet through from top to bottom, and two and a half feet thick, rich ore.

☞ The Janesville *Free Press* says:—"Rev. G. Anderson, a graduate of Rochester University, has accepted a call from the Baptist church of this city, and will enter upon the discharge of his duties in September."

It also says:—"Col. David Buffon, formerly an influential Democrat in La Prairie, is now out, flat footed for Fremont and Dayton."

☞ A Frenchman named Vallee, was seriously, if not fatally injured by being precipitated to the ground, by the falling of a scaffold at Fond du Lac, yesterday.

☞ None of the Buchanan presses relate the fact that George Law has been expelled from the Know Nothing Council for supporting Fremont.

☞ The election in Louisville Ky., on the 4th inst., resulted in the success of the American candidate for Mayor by a large majority.

Astonishing Effect of One Bottle in an Aggravated Case of Dyspepsia.

PHILADELPHIA, March 20, 1855.

DEAR SIR: During the last five years I have been afflicted with Dyspepsia, in its most aggravated form, and have tried, without receiving any benefit, the nostrums, every remedy recommended for that disease. In fact, I was in great danger of dying from sheer exhaustion, in consequence of the effect it had on my stomach, and all the food I could relish. [illegible] I was at last induced, through the recommendation of several friends, to try Dr. Hoofland's German Bitters, and I can say, for the information of those who may be benefited thereby, that I have received from the use of them little, if any, lasting benefit, and consider that I should not be without the Bitters for any money, as I am now enjoying more real enjoyment in life than I have at any time for many years.

Very respectfully yours,

No Family should be without Hoofland's German Bitters.—Children afflicted with the Summer Complaint entirely cured by them.

CAMDEN, N. J., March 14, 1855.

DEAR SIR:—It is with much pleasure that I inform you of the great benefit derived from the use of your German Bitters in my family. During the greater part of last summer, my son, aged two years, was severely afflicted with the Summer Complaint in the worst form, for which we tried various remedies, prescribed by physicians and others, to no avail, but will now avail. I also sent him home for a bottle of your Bitters, and it proved to be the most valuable medicine we ever had in our house. I was persuaded to try them, to my satisfaction, entirely cured him. He continued to take them for some time afterwards, and became healthy. I have the greatest confidence in the Bitters, and feel no hesitation in saying that no family should be without them.

Respectfully Yours, JOHN W. PARIS, Plum Street, above Second.

Roll away, roll away, roll away all,

Ball care to the air, and at five cents a string;
Roll away, roll away, beauty and strong,
'Twill do life pe the man, and his life thus prolong

Who would sit moping all day in his chair,
When pleasure and profit, so rich and so rare,
Can be had, and at cost, too, at such a cheap rate,
At the Bowling Saloon of the old "Badger State.

Here's rolling and Clubbing—not just for the few,
But for old and for young, for little and great—
